DESERT SHEIKS

All the local sheiks were trying to keep looking their best by being steady patrons of the Oasis Beauty Parlor.

Among the many quests were two fat Hippo boys, with violent ambitions to reduce, so as to rival Apollo.

Fatty Fitzzy Elephant stops along the way to get a shine from the Monkey shine shop. Then, when ambling along, he stops to help a litte monkey crack a coocanut.

While peeking through the wall of the beauty yard, some tricksters drop him down a secret chute to the furnace room where he is given a violent rubdown. Then by means of the Hippo gripping crane he is hoisted up and lifted into the reducing maching. Many pounds of stean are turned on. A chain of monkeys stoke the coal. Bye "N" Bye the reducer is opened and we behold the beautiful slender, but weak form of Fitzzy Elephant staggering away.

The moral is: "Zeal Should Not Outrun Discreation"
